

316 Stainless Steel Long Swivel Anchor Connector

Power Marine is 316 Stainless Steel Long Swivel Anchor Connector manufacturer and supplier in China who can wholesale 316 Stainless Steel Long Swivel Anchor Connector. We can provide professional service and better price for you. If you interested in Anchor Connector, please contact with us. We follow the quality of rest

assured that the price of conscience, dedicated service.

316 Stainless Steel Long Swivel Anchor Connector

1. Product Introduction

As the professional manufacturer, Power Marine would like to provide you high quality 316 Stainless Steel Long Swivel Anchor Connector. And we will offer you the best after-sale service and timely delivery. The 316 Stainless Steel Long Swivel Anchor Connector has a multi-Directional rotating head as well as the ability to swing left and right, which lessens hull sway brought on by chain rotation. It has a longer useful life, is rust-resistant, and can endure prolonged submersion in seawater.

2. Product Parameter (Specification)

| | |
|--------------------------|---|
| Product name | 316 Stainless Steel Long Swivel Anchor Connector |
| Specification available | Multiple sizes |
| Standards that follow to | ISO 9001, CE, TUV, CSS, SGS. |
| Samples available | Yes. |
| Packing method | Bubble bag+Wooden carton |
| Production lead time | 10-15 days for a 20ft container, 20-25 days for a 40ft container. |
| Warranty time | Support returns and exchanges |
| Payment term | T/T |
| FOB loading port | Qingdao China |

| PM804B-1012 | 151 | 18 | 13 | 8-12 |

3. Product Feature And Application

The 316 Stainless Steel Long Swivel Anchor Connector reliably ensures effective anchoring by allowing anchor chain to swivel. Prevents chain and anchor rope from getting twisted. Lessens effects of lateral forces that can stress anchor connection to chain or chain to anchor line.

Our 316 Stainless Steel Long Swivel Anchor Connector adopt superior 316 stainless steel material, resistant, rugged and durable, which having high performance and longer service lives, enable you to use for a long-term time. The boat anchor joint makes the retrieval of the anchor easier, and better stows the anchor on the bow roller. This Long Swivel Anchor Connector is a practical accessory. Highly polished surface, which won't hurt hands. The boat anchor connector is perfectly matched with modern ships/boats/yachts. Simple installation, there is no need of complicated tools, convenient for using, helping you save a lot of complicated processes and saving you time and effort.

4.Product Details

A 316 Stainless Steel Long Swivel Anchor Connector is a type of hardware commonly used in marine and outdoor applications. It is designed to connect anchor chains, ropes, or other attachments to anchor points, allowing for easy swiveling and positioning.

The key features of a 316 Stainless Steel Long Swivel Anchor Connector include:

Material: It is made from 316 stainless steel, which is highly resistant to corrosion and rust, making it suitable for use in saltwater or harsh weather conditions.

Long swivel design: The Anchor Connector has a longer length compared to standard swivel connectors, allowing for greater flexibility and range of motion.

Swivel mechanism: The Anchor Connector features a swivel mechanism that allows for 360-degree rotation, reducing stress on the chain or rope and preventing tangling or twisting.

Secure connection: The 316 Stainless Steel Long Swivel Anchor Connector is designed with a secure locking mechanism to ensure a reliable connection between the anchor point and the attachment.

Easy to install: The 316 Stainless Steel Long Swivel Anchor Connector typically has threaded ends or other types of fastening mechanisms that make it easy to attach to the anchor and the attachment.

It is also recommended to regularly inspect the Anchor Connector for signs of wear or damage and replace if necessary to ensure safety and reliability.

Loading & Shipment

Thanks to superior quality, we have been establishing a close & long business partner relationship with the customers from more than 30 countries, and we've gotten so many positive feedback regarding the quality.
